The SHARE FORUM brings together each year hundreds of practicing architects and contractors from Europe, Asia and the United States of America, becoming one of the most important networking platforms for the construction-related fields in Central and Eastern Europe. Its annual editions are a constant relevant presence in Warsaw and Krakow (Poland), Budapest (Hungary), Bucharest (Romania), Sofia (Bulgaria), Belgrade (Serbia), Athens (Greece) and Skopje (Macedonia). ABplus Events, as Professional Trade Events and Congress Organizer, is the creator of the concept of the national network of construction trade shows. Our experience in the Central and Eastern European market positions our events as one of the most effective international forums in the region, a source of constantly updated information, supporting the continuous training of specialists and the promotion of young talents. For 20 years we have been in pursuit of excellence in the fields of architecture and construction, through these international events organized for architects and contractors, in cooperation with our partners, the national chambers of architects, architecture and construction institutions and associations.
